rasulovh420@gmail.com

Uzbekistan, Bukhara

Full-Stack Developer

## SUMMARY

Adaptable Developer with two years of practical experience in Backend and Frontend development. Skilled in crafting resilient Java applications and captivating frontend designs. Collaborates effectively with cross-functional teams to produce top-notch software solutions. Possesses a solid background in coding, testing, troubleshooting, and analytical thinking. Dedicated to ongoing learning and embracing emerging technologies to drive inventive projects forward.

## EDUCATION

### BUKHARA ENGINEERING TECHNOLOGICAL INSTITUTE

Bachelor's Degree in Power Engineering 2019-2023

### Pdp It Academy

Professional Full-stack developer 2020 - 2021

## SKILLS

- Strong Communication
- Adaptable Developer
- Problem Solving ,
- Java,
- JavaScript,
- Python,
- Spring boot,
- Spring Security,
- PostgreSQL,
- MySQL, Rest Api, Frontend ( Html, Css, Sass, TypeScript, Tailwind css, Redux, Redux Saga

## CERTIFICATIONS

- Successfull completed Pdp It Academy
- [url:https://pdp.uz/checkCertificateQr/6a9d2051-a621-44e8-b499-225d2c7159fd](https://pdp.uz/checkCertificateQr/6a9d2051-a621-44e8-b499-225d2c7159fd)

## PROFESSIONAL EXPERIENCE

### Frontend Developer

- Strap Work 2021-2022
- Responsive UI Development: Designed and implemented responsive user interfaces using React, ensuring optimal user experiences across different devices and screen sizes
- Component-Based Architecture: Developed modular and reusable components in React, enhancing code maintainability and scalability for future projects.
- Form handling: Developed interactive forms with client-side validation using libraries like Formik, ensuring accurate data input and enhancing user feedback.
- Api Integration: Successfully integrated RESTful and GraphQL APIs into React applications, enabling seamless data retrieval and interaction with backend services.

### Backend Developer

- Shift Academy. | 2022- present
- Teaching... Taught programming concepts to students, fostering a solid understanding of Java and frontend development. Designed and delivered engaging lessons, assignments, and projects to encourage practical application of learned concepts. Mentored students in problem-solving and coding practices, helping them develop strong programming skills.
- RESTful API Development: Designed and implemented robust RESTful APIs using Spring Framework, facilitating seamless communication between frontend and backend systems.

### Epam Internship

Internship accepted at Epam 2020
